Investment Strategy

The Smart Strategy Growth Fund aims to achieve sustainable and long-term capital growth. The core markets are Switzerland, Europe, and North America, strategically complemented by selected investments in attractive growth markets. The fund invests actively and flexibly across all asset classes – from equities and bonds to funds and more complex financial instruments. The main focus is on equity investments, with solid, dividend-strong value stocks forming the foundation, complemented by promising growth companies. Thanks to the dynamic investment strategy and consistent risk management, market opportunities can be systematically exploited while risks are contained. In addition, active currency management contributes to optimizing overall returns.
